## Miramichi invites you to be a part of WinterLights Celebrations

November 1, 2009 to March 31, 2010

The City of Miramichi is a five star WinterLights destination and the 2007-2008 Overall Winner for its population category in the WinterLights national competition. The city now competes in the Winners Circle Category. Miramichi has many winter activities and events that appeal to all ages. Celebrate winter with us!

The City of Miramichi is proud to be involved in its third year of the WinterLights Celebrations. WinterLights is a national competition that encourages municipalities to celebrate winter and all it has to offer. The program encourages communities to showcase winter activities, festive celebrations and visual decorations that promote Miramichi's appeal as a winter tourism destination. Communities are judged on festive celebrations, winter pleasures, visual presentation, goodwill programs, tourism and promotion. Help us by showcasing our city and community spirit by participating in the WinterLights Celebrations.
