Newcastle Boulevard (Project 09-017)

Friday, July 30, 2010 - Newcastle Boulevard remains closed to thru traffic from Gladstone Avenue to Beaverbrook Road. Motorists on Newcastle Boulevard are advised to use Gladstone Avenue, Hanson Road and Beaverbrook Road.

Beginning Monday August 30, 2010 - The intersection at Beaverbrook Road and Newcastle Boulevard will be reduced to 1 lane of traffic. Motorists may experience delays in this area.

Disruptions are necessary for the replacement and/or installation of water-main, sanitary sewer, storm sewer, curb and gutter, sidewalk and services and reinstatement of properties affected by the works.

Construction signs will be in place to advise motorists of the disruption and to direct motorists through the construction area.

Projected Completion: September 30, 2010*
