NOTICE

Downtown Newcastle Upgrades

Please be advised that the City of Miramichi in conjunction with North Shore Construction Ltd. (The Contractor) will be commencing construction work in the Downtown Newcastle area primarily focused along Newcastle Boulevard from Ellen Street up to and including the intersections of Newcastle Boulevard and Pleasant Street. Work will also be performed along sections of Waterfront Drive, Fountain Head Lane, and Ledden Street.

Work is expected to last approximately 7 weeks and will commence the week of September 7th, 2021.

Closures have been tentatively booked for the following;

- Ledden Street September 7 - 8
- Waterfront Drive including Library Parking lot – September 7 to 11
- Newcastle Boulevard from Ellen Street to Pleasant Street - September 20 to October 15
- Intersection of Newcastle Boulevard and Pleasant Street - Periodic Closures from September 20 to October 22

Closures are subject to change

Notification of closures will be provided to the Downtown Business Association.

Pedestrian travel routes will be maintained by the Contractor as work allows to each of the store fronts as we strive to minimize the effect of construction to local businesses.

We ask for your cooperation and patience during construction and will endeavor to minimize disruptions and complete the work in a timely manner.
