PRESS RELEASE

CONTRACTS FOR CITY OF MIRAMICHI'S STREET RESURFACING PROGRAM 2023 AWARDED

Miramichi City Council awarded two contracts for the Street Resurfacing Program North and South 2023 at the May 16th Regular Council meeting.

Close to \$2.5 million will be spent to resurface streets on the north and south sides of the city with Vye Construction & Paving Ltd. being awarded both contracts.

On the north side of the city, \$1,247,561.98 will be spent resurfacing the following streets:

- Crammond Court
- McArthur Street
- Flynn Lane
- Rankin/Keoghan (south of KGH) / Vye Streets
- Blakely Drive
- Big Ferry Road
- Roger Street

On the south side of the city, \$1,179,403.78 will be spent resurfacing the following streets:

- Johnson Avenue
- Duke Street
- Rodney Green
- Douglasfield Road
- Bremner Drive
- Foley Crescent
- Pollard Boulevard
- Thorneycroft Street
- Wallace Road

The City of Miramichi has 225 kilometres of roadway, not including the provincial designated highways.

The Department of Engineering reviews and rates each street biannually utilizing software called Total Pave to analyze road conditions.

The selection process for asphalt paving incorporates several considerations which include but are not limited to:

- street designation
- traffic volume
- street condition
- underground infrastructure condition
- maintenance costs
- street cross section and profile
- PSAB 3150 and 3160 (asset management) compliance
- Other (development considerations, planning, funding opportunities)
- Centennial Bridge closure
