#2020-02

COVID-19

Release Date: March 17, 2020

Due to the current situation of Covid-19 and protecting our members who provide the valuable and essential service to the City and surrounding communities, the City of Miramichi Fire Department is limiting its Fire Stations to active staff only; non-essential personnel are limited until further notice.

All non-essential activities including special programs, public relation events and station tours will be suspended until further notice.

The Fire Prevention Division's inspection program will also be working at a reduced capacity where code enforcement and emergency inspections will take priority.
