

Over the prior two months Miramichi Transit adjusted the regular schedule in order to adopt a reduced service, known as the Black Line. The scaled back schedule allowed for transit service to continue operating while also taking steps to ensure the safety of both drivers and passengers.

New Brunswick has now entered the Yellow Phase of its recovery plan, which allows for the reopening of more businesses and activities, subject to Public Health guidelines. With the removal of many restrictions, we are presented with the opportunity for greater movement throughout our communities.

As of June 1st, 2020 Miramichi Transit will be reinstating the regular routes, Blue, Green and Red Lines, as well as resuming the collection of fares. Regular fare is \$3.00, tickets and monthly passes are still available for purchase through our affiliates. In addition, to comply with Public Health guidelines pertaining to Social Distancing, Miramichi Transit will require all passengers to wear a face mask or face covering at all times.

For further information, please contact the Transit office at 623-2370 or office@miratransit.com. You can also connect with us on Facebook, Instagram and Twitter.

We look forward to continuing to provide affordable and reliable transportation service to our community. See you on the bus!
