PUBLIC NOTICE FOR RESIDENTS OF THE NEWCASTLE AREA

The discoloration of the water supply that occurred on Thursday, July 9th, 2020 is due to the undertaking of required emergency maintenance activities within the water distribution system in the Newcastle area. We anticipate the system will return to normal within a couple of hours.

We sincerely apologize for any inconvenience this may have caused to the residents in this area.

Please run the cold water taps for approximately 10-15 minutes. This will help to eliminate any remaining discoloration.

If you have any questions or concerns, please call 623-2020.
